MEMORANDUM FOR: Project Director

SUBJECT: Request for Permission to give Briefing to Key HTAUTOMAT Personnel as to Type and Quality of Material

1. Permission is requested for A. C. Lundahl, Chief, D/GP, to present a briefing to key HTAUTOMAT personnel as to type and quality of the basic source material. Such a briefing is required at this time to enable personnel to prepare detailed plans for exploiting the material. This will be accomplished by presenting samples of the various types of photography which will be available.

2. The proposed briefing will not include any operational data but will be restricted to the existing HTAUTOMAT briefing form (see enclosure 1).

3. Listed below are the persons requiring the briefing and their position in the organization:

25X1
